

FOR IMMEDIATE RELEASE

PORT OF TANJUNG PELEPAS AND JOHOR PORT AUTHORITY CELEBRATE RAYA WITH RESIDENTS OF CHARITY HOMES

GELANG PATAH, 19 May 2022 – Pelabuhan Tanjung Pelepas Sdn Bhd (PTP), a member of MMC Group in collaboration with Johor Port Authority (JPA) organised mini festive celebrations at three different charity homes to brighten their Hari Raya.

The CSR based programme was organised as part of a collaboration effort by both organisations to put a smile on the residents faces by celebrating Hari Raya together and at the same time to aid charity homes during the festive season.

Located within Johor Bahru district, the three charity homes are Baitus Solehah, a shelter for women, PDK Nusajaya, a community rehabilitation centre for the disabled (slow learner, down syndrome, autism, etc) and Pusat Jagaan Kasih Rohani, an old folks' home.

A total of 130 residents were celebrated through this annual programme where residents enjoyed Raya delicacies such as 'nasi briyani' with the volunteers. In addition to providing cheer during this festive month, food aids such as rice, flour, cooking oil, diapers and among others were also handed over during the mini celebrations.

In a statement, Kamaruzaman Munasir, General Manager of Johor Port Authority commented that, "Seeing that for the past two years, volunteers were not able to mingle with the residents for such celebrations, this year we have decided to make it extra special by celebrating birthdays of the residents. Gestures like these although small, will have a great effect on their upbringing and memories."

PTP Chief Executive Officer, Marco Neelsen said, "Since 2018, it has been a tradition for both PTP and JPA to celebrate residents of homes during this festive season. Apart from sharing the joy of Raya, about 35 PTP and LPJ volunteers were able to connect, build meaningful relationships with the residents and give back to the community."

Azura Muhammad, a supervisor at PDK Nusajaya greatly appreciates effort taken by big organisations such as PTP and LPJ in organising such celebration for its's physically challenged residents. "Celebrating Hari Raya together with the volunteers makes the

residents very happy and it also allows them to practise their social skills and improve self-confidence interacting with outsiders.”

PTP in collaboration with LPJ has been implementing Hari Raya Celebration and Aid Distribution programme for more than 4 years. The programmes not only help the development of sustainable community but also as an avenue for PTP staff to continuously give back to the community via CSR activities.

###

About Port of Tanjung Pelepas

The Port of Tanjung Pelepas (PTP) is Malaysia’s largest container terminal. The port delivers reliable, efficient and advanced services to major shipping lines and box operators, providing shippers in Malaysia and abroad extensive connectivity to the global market.

PTP is grouped under MMC Port Holdings Sdn Bhd (MMC Ports), Malaysia’s largest integrated logistics service provider. MMC Ports is a wholly-owned subsidiary of MMC Corporation Berhad, a leading utilities and infrastructure group with long standing credential and capabilities in ports & logistics, energy & utilities and engineering.

Its terminal operations are backed up by state-of-the-art facilities, equipment and information technology systems linked to all port users. To date, the Port is operating with 14 berths totalling 5.04 km in linear wharf design. The port’s container yard is one of the largest container storage facilities in the region with the capacity to handle up to 10.5 million TEU annually.

PTP was accorded Free Zone status in March 1998 and was also appointed as a Free Zone Authority by the Government on 16 June 1999 to administer both the Commercial Free Zone and the Industrial Free Zone. PTP Free Zone provides various advantages to cargo importers and exporters and the direct connection to the port terminal also provides efficient and cost effective container movement between the Free Zone and the port, creating convenience for the container trade.

PTP is also a joint venture between MMC Corporation Berhad (70%), a utilities and infrastructure group and APM Terminals (30%), a leading global ports group with a global port network in 62 countries.

About MMC Corporation Berhad

MMC Corporation Berhad (“MMC”) is a leading utilities and infrastructure group with diversified businesses under four divisions, namely Ports and Logistics, Energy and Utilities, Engineering, and Industrial Development.

Its key businesses under the Ports and Logistics division include the port operations of Pelabuhan Tanjung Pelepas Sdn Bhd, Johor Port Berhad, Northport (Malaysia) Bhd, Penang Port Sdn Bhd,

Tanjung Bruas Port Sdn Bhd and Kontena Nasional Berhad, a logistics provider. Internationally, MMC has presence in Saudi Arabia via Red Sea Gateway Terminal Company Limited, a container port terminal within the Jeddah Islamic Port.

Under the Energy and Utilities division, MMC is the single largest shareholder of both Malakoff Corporation Berhad, the country's largest Independent Power Producer and Gas Malaysia Berhad, a total energy solutions provider. Through Aliran Ihsan Resources Berhad, we are a pioneer in wastewater recycling technology and a water treatment specialist.

MMC's Engineering division has played a leading role for the implementation of the entire project including the underground works package in completing the 51 km Klang Valley Mass Rapid Transit ("KVMRT") Kajang Line (formerly known as Sungai Buloh-Kajang Line) and is now the main contractor for the entire KVMRT Putrajaya Line (formerly known as Sungai Buloh-Serdang-Putrajaya Line). MMC is also currently, undertaking key civil and infrastructure projects in the country namely Langat Centralised Sewage Treatment Plant and Langat 2 Water Treatment Plant.

Notably, MMC completed the 329 km Ipoh-Padang Besar Electrified Double Tracking Project and the innovative Stormwater Management and Road Tunnel (SMART) motorway, the first of its kind, dual-purpose tunnel in the world.

MMC's Industrial Development division develops and manages approximately 5,000 acres of industrial developments namely Senai Airport City ("SAC") and Tanjung Bin Industrial Park ("TBIP") in Iskandar Malaysia, Johor and Northern Technocity ("NTC") in Kulim, Kedah. The SAC, TBIP and NTC developments come under the ambit of MMC's Industrial Development Division, operating under three companies namely Senai Airport City Sdn Bhd, Seaport Worldwide Sdn Bhd and Northern Technocity Sdn Bhd.

In other business, MMC wholly-owns Senai Airport Terminal Services Sdn Bhd, the operator of Senai International Airport in Johor Bahru – an emerging southern aviation hub and important gateway to Iskandar Malaysia.
